

Mid-Atlantic Quilt Festival

February 26-March 1, 2009

Join us as we continue to grow in 2009. Explore an American art that has developed and grown with the nation. In its 20th year, the **Mid-Atlantic Quilt Festival** is a compilation of quilting, fiber arts, and wearable arts - *now all under one roof*. It's the perfect place for quilt enthusiasts and textile artists to meet, shop, learn and explore their art.

You have the option during this tour to spend one or two days at the show. Part of your group can choose to spend one day at the show and spend the second day exploring some of the sites in the area. Suggested attractions for the day of touring include the **Hermitage Foundation Museum** in Norfolk. This early 20th century estate offers outstanding presentation of architecture, art and nature. The most fascinating part of this house is the countless hidden doorways and passages. Also we suggest lunch at **Rowena Portsmouth** where you will meet the founder of this historic city, **Colonel Crawford**. This first person interpreter will be the highlight of your tour. You will also have time to do some antique shopping in the historic district. Tonight, enjoy a dinner and dancing cruise aboard the **Spirit of Norfolk**.
